## ABOUT US

*Our company has been operating in many items of the construction sector since 1996. Our company, which started its commercial life as a private company, continues on its way with more confident and solid steps with the legal entities it added in the 2000s.*

*As Akva steel door production incorporated company, it aims to integrate our values in the national economy with the globalizing world economy. It aims to be innovative, not traditionalist, in its production by using developing technology and materials.*

*It always adopts the principle of offering price advantages to its customers by combining quality production, technological materials with after-sales service understanding.*

**OUR VISION:** *We provide quality service to our customers by presenting the difference in our understanding of service to our customers at home and abroad, by integrating with the spirit of our employees in the human resources and R&D department, in unity and solidarity.*
